OF
LAVASA CORPORATION LIMITED
As on December 31, 2018**

Notes related to the claims verification process for Homebuyers of Lavasa Corporation Limited

The detailed notes related to the claims verification process for homebuyers are laid out in the following pages. At the outset, it is pertinent to note that the Resolution Professional ("RP") team is in receipt of a large number of claims from various categories of creditors. Further, it is also noteworthy that there have been certain challenges with regards to verification of claim. Given the state of operations of the Corporate Debtor(s), it has been the continued endeavor of the RP and the RP team to verify the claims, as expeditiously and to the extent feasible, by placing primary reliance on the Corporate Debtor's records and books of accounts. Furthermore, as elaborated below, to adopt a fair and uniform approach in verification and acceptance of said claims.

1. The RP team is still in the process of receiving claims from various categories of creditors of the Corporate Debtor, as per the terms and provisions of the Insolvency and Bankruptcy Code, 2016 ("**Code**"). For the purpose of collating this list of creditors, a cutoff date of December 31, 2018 has been considered. Consequently, any claims and / or correspondences received post the aforesaid cutoff date have not been considered in this list of creditors. Furthermore, please note that the list of creditors is still a work in progress and shall be updated appropriately from time to time.

2. The verification / rejection of the claims has been done on the basis of the proof / supporting documentation of said claims, as shared by the claimant, in accordance with the prescribed documents under the provisions of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 ("CIRP Regulations"), and corroborated from the records of the Corporate Debtor.

3. The RP team is in receipt of an inordinately large number of claims from various categories of creditors. Owing to this fact, in light of proceeding with the claims verification process in a practical and time bound manner, the RP team has followed a fair approach towards potential errors in the claim form and declaration and have been seeking requisite clarifications, where applicable.

In case of homebuyers who have received possession and have submitted claims on account of service/ maintenance related issues, such claims have been classified as operational debts and thus, for such cases the RP team has reached out to claimants to file Form B. Further, where the contracts are terminated but the amount is due to the homebuyer, such claimants will be treated as financial creditor.

Further, in case of inadequate, inconsistent or no proof of claim being provided by a claimant (such as no / incomplete supporting documentation, no claimed amount mentioned in the form / declaration, mismatch between overall claimed amount and claim components etc.), the RP team has reached out to claimants with appropriate clarifications; meanwhile, reliance has been placed on the records of the Corporate Debtor for verification of said claims (as per point 2 above). Certain claimants have either not provided relevant contact details or provided incorrect / incomplete contact details and endeavor is being made to reach out to such claimants for appropriate clarifications.

Further, certain claimants have submitted multiple claim forms (e.g. same form and claim details submitted more than once, multiple revised forms with edits to the claim details etc.). In such cases, basis review, the following has been considered, as applicable, on a case to case basis - the latest form submitted by the claimant; claim form pertaining to the nature of the debt, basis perusal of supporting documents. Further, for claims where no clarity emerged post review, appropriate clarifications have been sought from the claimant.

Further, certain claimants have submitted claims under incorrect type of form, adjudged post review of the claim details and supporting documentation – e.g. operational creditors filing Form CA. Such claims have been categorized under the appropriate creditor category as per the provisions of the Code for the purpose of verification and collation of this list of creditors.

4. As part of the verification and admission of claims, the following approach is followed by the RP team:

i. Captured Information of the claimant as per the form & documents submitted. Detailed bifurcation of the amount claimed was made by the RP team as per the form under various heads – principal amount, taxes, stamp duty, registration, delayed interest and others

ii. Checked the Agreement to Lease of Apartment/ Agreement to Lease of Lot-cum-Agreement for Sale of Villa/ Agreement to Lease of Lot ("Agreement"). Where the complete agreement was not provided by the claimant, the RP team has taken and relied upon the agreement from the Corporate Debtor records

iii. Checked the payment receipts for the purpose of verifying the amount received from the homebuyer. The agreement value and amount received is also captured from the records of the Corporate Debtor (CRM data)

iv. Delayed interest is calculated by the RP team considering interest rate of 12% p.a. from promised possession date (24/30 months) as mentioned in the agreement upto insolvency commencement date (30.8.2018). Where the agreements are not registered but allotment letters have been given by the corporate debtor, delayed interest is calculated @ 12% p.a. from 30 months of booking date upto insolvency commencement date.

v. The claims are admitted by the RP team only for the principal amount and delayed interest claimed by the homebuyer. In case of any discrepancy between the details of a claim, as provided by the claimant, and the records of the Corporate Debtor, the RP team has primarily relied upon the records of the Corporate Debtor. Other costs like taxes, stamp duty, registration charges claimed are statutory dues which are paid to authorities and hence not admitted by the RP team.

Consequently, even though the verification of the aforementioned claims has been done to the extent feasible, as per aforementioned approach, the same is subject to modification / revision basis the receipt of further correspondence, including updated supporting documentation.
